

AUGUSTUS

evoke your inner style

AUGUSTUS

This luxurious upholstered sleigh bed is available in both 5ft and 6ft options. It's grand presence and sumptuous curves are complimented by the deep elegant buttoning and pleated detailing. Manufactured here in the UK using our standard solid hard wood construction method, the Augustus bed is available in a range of fabrics, leathers and colours. For added comfort we have introduced a sprung slatted unit to the frame construction.

augustus 5ft bed (to fit king size mattress)
